**IRISH AMERICAN CULTURAL INSTITUTE  
VISITING FELLOWSHIP IN IRISH STUDIES  
AT NATIONAL UNIVERSITY IRELAND – GALWAY**

**NAME:** \_\_\_\_\_

**ADDRESS:** \_\_\_\_\_

**DAYTIME TELEPHONE NUMBER:** \_\_\_\_\_

**E-MAIL:** \_\_\_\_\_

I have read and agree to the terms of the **IACI Visiting Fellowship in Irish Studies at the National University Ireland – Galway**. I have enclosed **FOUR COPIES** of:

1. A one-paragraph statement of my intended use of the Fellowship time, on plain paper with my name typed on the upper right hand corner.
2. A detailed letter of application, one to three pages in length. This should expand on the one paragraph statement and should address the question of how your participation will contribute to the intellectual and academic life of NUI-Galway. Ideally, your letter will also give the readers a sense of how well you will represent Irish Studies in the United States.
3. A C.V. with a list of publications. (In response to numerous questions, we note that your C.V. need not provide committee assignments and other university service. However, if this information appears on your C.V. in its current form, please do not burden yourself by deleting it.)

In making this application, I agree to accept with contest, the decision of the adjudication committee. I also understand that if I am selected as the recipient, both the **Irish American Cultural Institute** and **National University Ireland – Galway** will use my name in publicity and promotional literature associated with the Fellowship.
